

**OUR SPONSORS MAKE IT EASIER ON YOUR WALLET!**

Thanks to the generosity of our sponsor, Western Suburbs League Club (Campbelltown) Limited, we are again able to offer the Wests Family Discount Scheme for 2010. Clubs will charge usual registration fee for first family member. Wests will pay Association registration and insurance fee for **any additional junior, 8-15 years**, from that family, one of whom must be a current member of Wests League Club, Leumeah.

To claim this discount, families must quote name and badge number of Wests League Club member at the time of registering with their Club.

***We're looking after Macarthur***

We are also grateful to Paul Wakeling Motor Group for its financial support which will enable us to continue our "No Charge Netta" incentive for players 5-7 years of age in 2010.

This means that the Association will not charge Clubs registration or insurance fees for these players. Therefore parents will only pay Club registration fees, which may vary from Club to Club.

Many thanks, also, to our friends at The Athlete's Foot for their assistance with advertising and art work costs.
