

AUSTRALIA DAY HONOURS 2012

Congratulations to our founding President, Pat Roser, whose lengthy service to the community was recognised by the award of an OAM in today's Honours List.

Following her retirement from netball, Pat and her husband, Myles, moved to Coffs Harbour, where, of course, she immediately became involved in several community groups.

We extend our best wishes to Pat on receiving this well deserved award.

On the home front, two of our Executive members, Tracey Connolly and Bev Harris, were included in the Campbelltown City Council Australia Day Award Nominations for Citizen of the Year.

The presentation ceremony took place at Ingleburn Community Centre and was attended by candidates and supporters.

Tracey and Bev were presented with a framed certificate as a memento of this occasion.

Congratulations to Tracey and Bev for receiving these nominations.

Winners were:

Citizen of the Year : Janet Nicoll

Young Citizen of the Year : Joshua Cotter

Sports person of the Year : Helga Duncan

Community Group Initiative of the Year : Beautiful Minds
