

WELCOME TO NETBALL 2014!

Campbelltown will set a record this year by being the first district in New South Wales to host both the State Championships and the State Age Championships in one season. From 7th to 9th June inclusive senior representative players from across the State will compete at Coronation Park. If you want to see some great netball, that's the time to come to Minto!

Players in Divisions 3 and 4, from 12-15 years of age, will play their games from 28th to 30th June. Most of these competitors will be from country associations so come to support them and make them feel welcome.

Our junior representative teams will be playing in the Championship Division of State Age at Illawarra so we will look to our Clubs to help out at home.

2014 will see the introduction of NetSetGO! by Netball Australia. The programme has been designed to give children a positive introduction to netball in a fun and safe environment. Every child playing in 10 years teams or younger grades will receive a participant pack containing a netball and a NetSetGO! tee shirt.

With increased support from Wests League Club Leumeah, we plan to extend the Wests Family Discount Scheme to include NetSetGO! players. Our thanks to Wests for this assistance for families with more than one player.

We also look forward to continued support from our friends at The Athlete's Foot.

Our thanks also go to Expo Aluminium for the sponsorship and scholarships provided to our rep. community.

We will again have three teams competing in the State League competition held at the Anne Clark Centre at Lidcombe each week. We wish coaches and players a successful and enjoyable season.

Umpiring Procedures

I want to umpire – what do I have to do?

Before anyone can umpire they must pass the umpires exam and attend a Level 1 umpiring accreditation. See your Club umpires convenor or contact Umpires Control. The Association's Umpires Co-ordinator is Michael Seery (mobile 0418 768 708). The Senior Convenor is Linda Kable (0414 960 368) and the Junior Convenor is Cindy Mann (0400 311 871).

Registration

All umpires must be registered with the CDNA (either as a player, or a non-player with NSW insurance). Umpires must sign the score sheet at the end of each game and **provide their Association registration numbers**. Individuals who fail to comply with this rule will incur a fine of \$5.

Clearances

All umpires must have a clearance for the level of game that they are umpiring. A fine of \$10 applies for umpiring without the proper clearance. To obtain a clearance, umpires must be registered, have a current theory pass, have attended a Level 1 accreditation, and demonstrate that they are capable of umpiring that standard of game

Club convenors should submit names of all umpires requiring a clearance before they umpire. The Umpiring Committee will view an umpire on a game of the appropriate level before giving a clearance. An umpire's clearance determines the highest grade of game at which that umpire can officiate. Club convenors must submit a request for a new clearance if an umpire wants to umpire a higher grade.

An automatic clearance (without viewing) will be granted to umpires provided they meet the following criteria:

- (a) a current theory pass (valid for 6 years)
- (b) a Level 1 umpires accreditation
- (c) an Association or National badge
- (d) has umpired in the previous two years.

Convenors should provide the details of the umpires for whom they are seeking a clearance on the appropriate form available either from Umpires Control or from the website. Separate forms should be provided for junior (15 and under) and senior clearances. Note: Junior umpires will normally only be granted a clearance to umpire up to their age.

An umpire's clearance may be revoked by the Association Umpiring Convenors if the umpire does not continue to meet the required standard.

Division 1 and 2 Pool

Each team in Division 1 and Division 2 must nominate a sufficient number of suitably qualified umpires to cover Division 1 and Division 2 games each week. The Umpires Committee will allocate umpires from this pool.

Umpiring NetSetGo

Non-competition games

All non-competition NetSetGo games are played under modified rules. Umpires must be qualified (ie have completed the Level 1 course, exam pass and been cleared). The coach of these teams is not to umpire the game.

Competition games (8, 9 and 10 year olds)

In the under 8 and under 9 age groups, teams play to the normal netball rules and participate in the final series.

Umpires for the 8, 9 and 10 year old age groups must have an Association or National badge.
