

WELCOME TO NETBALL 2015!

New Clubs and new sponsors get us off to a good start this season. .

Welcome to Macarthur Flames Netball Club with its five teams and to Gregory Hills Netball Club which has a junior and a senior side.

Welcome, too, to our new sponsor, 1st Choice Rentals, and to Gutter-Vac, Campbelltown, the new sponsor for our rep section.

State Age is spread over four venues in 2015 and Campbelltown will play in the Championship Division at Baulkham Hills. As we do not have to host anyone at Minto this year (we can use the break!), we will have the opportunity to support our teams.

The NetSetGO! programme will continue for 2015 and every child playing in 10 years teams or younger grades will receive a participant pack containing a netball and a NetSetGO! tee shirt.

With increased support from Wests League Club Leumeah, we have been able to extend the Wests Family Discount Scheme to include NetSetGO! players. Our thanks go to Wests for this assistance for families with more than one netballer.

We also thank our friends at The Athlete's Foot for providing a sponsorship for our umpires, who look cool in their tee shirts.

Thanks, too, go to Expo Aluminium for the sponsorship and scholarships provided to our rep. community. This year we add Eric Kuilder of Gutter-Vac to our rep sponsor list. Thank you to Eric.

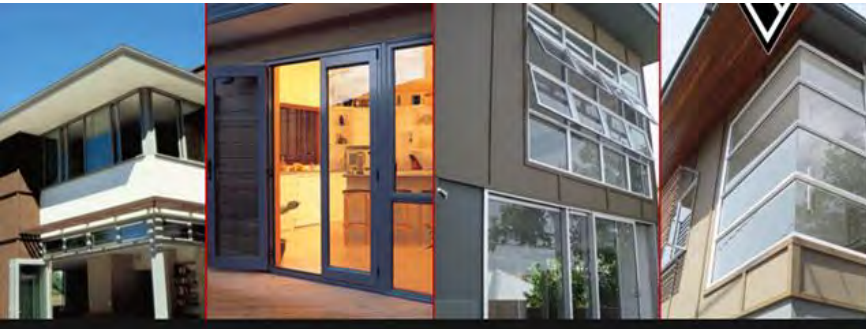

We again have three teams competing in the State League competition held at the new Netball Central complex at Sydney Olympic Park. Due to the Netball World Games being held in Sydney this year, State League started in February. We wish our coaches and players a successful and enjoyable season.

Umpiring Procedures

I want to umpire – what do I have to do?

Before anyone can umpire they must pass the umpires exam and complete the Level 1 umpiring accreditation. Both of these can be completed on-line. We also provide practical umpiring sessions to help new umpires become comfortable with the on-court experience. See your Club umpires convenor or contact Umpires Control.

The Association's Umpires Co-ordinator is Michael Seery (mobile 0418 768 708). The Senior Convenor is Linda Kable (0414 960 368) and the Junior Convenor is Cindy Mann (0400 311 871).

Registration

All umpires must be registered with the CDNA (either as a player, or a non-player with NSW insurance). Umpires must sign the score sheet at the end of each game and **provide their Association registration numbers**. Individuals who fail to comply with this rule will incur a fine of \$5.

Clearances

All umpires must have a clearance for the level of game that they are umpiring. An umpire's clearance determines the highest grade of game at which that umpire may officiate. A fine of \$10 applies for umpiring without the proper clearance. To obtain a clearance, umpires must be registered, have a current theory pass and Level 1 accreditation, and demonstrate that they are capable of umpiring that standard of game

Club convenors should submit names of all umpires requiring a clearance before they umpire. Convenors should provide the details of the umpires for whom they are seeking a clearance on the appropriate form, available either from Umpires Control or from the website. Separate forms should be provided for junior (15 years and under) and senior clearances.

Note: Junior umpires will normally only be granted a clearance to umpire up to their age.

The Umpiring Committee will view an umpire on a game of the appropriate level before giving a clearance. Club convenors must submit a request for a new clearance if an umpire wants to umpire a higher grade.

An automatic clearance (without viewing) will be granted to umpires provided they meet the following criteria:

- (a) a current theory pass (valid for 6 years)
- (b) a Level 1 umpires accreditation
- (c) an Association or National badge
- (d) has umpired in the previous two years.

An umpire's clearance may be revoked by the Association Umpiring Convenors if the umpire does not continue to meet the required standard.

Division 1 and 2 Pool

Each Club with teams in Division 1 and Division 2 must nominate a sufficient number of suitably qualified umpires to cover Division 1 and Division 2 games each week. The Umpires Committee will allocate umpires from this pool.

Umpiring NetSetGo

Non-competition games

All non-competition NetSetGo games are played under modified rules. Umpires must be qualified (i.e. have completed the Level 1 course, passed the exam and have been cleared). Coaches of these teams are able to umpire the game provided they have a current exam pass and Level 1 umpiring accreditation.

Competition games (8, 9 and 10 year olds)

In the 8 and 9 years age groups, teams play to the normal netball rules and participate in the final series.

Umpires for the 8, 9 and 10 year old age groups must have an Association or National badge.
